

UNIVERSITY HOUSING

1/14/2011

I am delighted to write about my experience with the Alpha Pi Lambda Fraternity during the past year. As the Associate Director of University Housing, I have had the opportunity to work with this group in a professional manner. In this letter, I would like to express my respect and appreciation for the organization.

Alpha Pi Lambda Fraternity is made up of a group of responsible young men who have only treated me with the utmost respect. In my professional role, I mainly communicate with the House Leadership – President, Ryan McNeil, and House Manager, John Kundrat – who have both truly been a delight. It is evident that the brothers of Alpha Pi Lambda take pride in their Chapter House and work well with little supervision.

Beyond this, the Alpha Pi Lambda Fraternity is recognized on campus as well-rounded in sports, community service and academics. The brothers are highly motivated and realize that they can work together to make a difference in the community. Over the last year, Alpha Pi Lambda has actively participated in Philadelphia Cares Day and the Freedom Playhouse Build as well as volunteering for the Philadelphia Zoo and hosting a benefit for the Lance Armstrong Foundation. This group also opens up their house to the Drexel community for New Student Days and the CAA Blood Drive.

It is without reservation that I offer the highest recommendation for the Alpha Pi Lambda Fraternity.

Sincerely,

Stefanie Perna

Associate Director, University Housing
